C. Result (Line A minus line B)	\$

D. Deficit (If line A is greater than line B)	\$
E. *Surplus (If line B is greater than line A)	\$

B. Income (See Section 4)	\$
C. Result (Line A minus line B)	\$

D. Unmet Need (Amount from line C, but <u>only</u> if line A is greater than line B)	\$
E. Deficit (See Section 8, line D)	\$
F. Amount of GA Eligibility (The lower of line D and line E)	\$

**INSTRUCTIONS:**

- 1) If Section 8, line B (income) is greater than line A (overall maximum), then applicant has a surplus of \$\_\_\_\_\_ and will not be eligible for General Assistance unless the GA administrator determines there is need for emergency assistance.
- 2) If Section 9, line A (allowed expenses) is greater than line B (income), the result will be an "Unmet Need" (line D).
- 3) If there is both an "Unmet Need" (Section 9, line D) and a "Deficit" (Section 9, line E), the applicant will be eligible for the lower of the two amounts. This lower amount is the amount of assistance the applicant is eligible for in the next 30-day period, or a proportionate amount for a shorter period of eligibility (e.g., if the applicant needs one week's worth of GA assistance, they should receive 1/4 of the 30-day amount).

**Administrator: Please read the following to the applicant or have the applicant read it in your presence.**

In accordance with Maine law (22 M.R.S.A. § 4321) you have the right to be given a written decision concerning your application within 24 hours of submitting a completed application. If you disagree with the administrator's decision on the application, you have the right to a fair hearing before an impartial hearing authority. If you believe that the municipality has violated state law with respect to your application, you have the right to notify the State Department of Human Services in Augusta (1-800-442-6003).

**STATEMENT BY APPLICANT:** I hereby affirm that the facts in this application are true, correct and complete, and that I have not knowingly withheld any information. I understand the Administrator has the right to verify any information necessary to determine my eligibility and hereby give my consent. I understand if I refuse to give my consent it may result in my not being eligible to receive assistance; therefore, I hereby give my express permission for the Administrator to contact the following specific sources or persons to verify any or all information material to the determination of General Assistance eligibility for my household:

- employer(s) (past/present);
- persons, organizations or businesses referenced in this application;

## INSTRUCTIONS

**ADMINISTRATOR:** This form must be used the first time a person applies for GA and then at least every six months. Also, whenever there have been changes in the household (that may effect eligibility) a new application must be taken. If a municipality chooses to use a new application only every six months, "re-application" forms must be used in the interim. Although municipalities may choose to have applicants use "re-application" forms, the preferred method is to use a new application **every time** an individual applies for GA.

### 1. HOUSEHOLD

The purpose of this section is to determine how many people live with the applicant, their relationship to the applicant, and what other liable relatives the applicant may have.

Although the Administrator should know how many people are living with the applicant, it is important to note that everyone's income will not necessarily be included (see Section 4, INCOME).

**Anyone** may apply for assistance. It does not have to be the "head of the household." It can be anyone who can provide the information the administrator needs to determine eligibility.

The administrator also needs to know the names and addresses of "liable relatives" not living with the applicant to determine if they can provide some assistance to the applicant. "Liable relatives" are spouses, and parents of applicants under the age of 25 who are financially able to assist the applicant.

### 2. EMPLOYMENT INFORMATION

The purpose of this section is to gain an understanding of the applicant's ability to work. Any applicant who has quit his or her job without just cause or who has been discharged from employment for misconduct is automatically **ineligible for GA for the 120-day** period beginning with the date of separation from employment. Furthermore, after people apply for GA, they are expected to comply with all workfare or work search requirements placed on them.

### 3. ASSISTANCE REQUESTED

The Administrator should ask the applicant what assistance is being requested and check off only those basic necessities requested.

### 4. INCOME

When determining the applicant's eligibility you must know the applicant's income and income received by other household members. Certain kinds of income must be **excluded** including: the applicant's Food Stamps, fuel assistance benefits (HEAP, ECIP), Family Development Accounts, Vista income, earned income received by children still in high school, and income received by certain household members. Refer to Section 1, HOUSEHOLD on the application regarding the total number of people for whom the applicant is seeking assistance, since the income of those people would be included. Actual work-related expenses must be subtracted from income.

The Administrator must count income received by liable relatives living with the applicant, plus income received by other household members such as children, sisters, brothers, roommates only if they pool their income. Pooling means sharing a dwelling unit and living as a family where funds and expenses are intermingled. There is a presumption in GA law that people living in the same dwelling unit are pooling their income, but applicants can rebut the presumption by convincing you they are not sharing resources.

Example: All the income of an unmarried man and woman living together as a family would be counted.

Example: Two women lived together as roommates for the purpose of splitting costs. One of them applied for GA. The Administrator should count 100% of the applicant's income but only her share (50%) of expenses. The applicant's roommate's income would not be included because she proved they do not pool their income.

Regardless of how often income is received, the Administrator should determine need by calculating the "Monthly Household Income" based on the next 30 days. The Administrator has the choice of providing assistance for shorter periods than 30 days.

### 5. ASSETS

This section is important to help the Administrator learn if the applicant has any assets, which he/she can use to meet his/her immediate needs, or which can be converted to cash. The applicant is expected to use money in bank accounts and all other investments. The applicant is entitled to his/her home (although if mortgage assistance is requested, the municipality may place a lien on it). The applicant can own one vehicle, provided it is not too expensive (see the GA Ordinance). The applicant is expected to sell or convert unnecessary assets into cash if he/she will need on going assistance.

### 6. EXPENSES

The Administrator must calculate "Monthly Expenses". In the first column, the Administrator should enter the applicant's *actual expenses* to gain an understanding of the applicant's financial situation. In the next column, the Administrator should enter the amount for each basic necessity that is *allowed* in the GA ordinance, or the amount actually paid by the applicant, **which ever is less**. For example, if the applicant's actual rent is \$600 but the maximum level of assistance allowed in the GA Ordinance is \$550, the Administrator should enter \$550 in the second column (Allowed Amount). If the situation was reversed, however and the applicant paid \$550, but the ordinance allowed \$600, the Allowed Amount would be \$550, the lesser amount.

Exception: Due to federal law, the Administrator should always enter the **maximum food amount** (see Appendix C of the GA Ordinance) allowed by the ordinance in the second column.

### 7. OTHER EXPENSES

This section should be used to refer the applicant to budget counseling, etc, if they are overextended financially.

### 8. DEFICIT

This calculation is an initial "screen," or test for eligibility. If there is no deficit, the applicant should be denied general assistance unless he or she is an emergency situation. Proceed to Section 9 after completing Section 8.

### 9. UNMET NEED

This section informs the Administrator whether the applicant is in need of general assistance (i.e., his/her income during the next 30 days is less than both the allowed expenses (Section 6) and the overall maximum (Section 8). If the applicant has a deficit and is in need, refer back to Section 6 to determine how many of the items the applicant requested can be granted by the Administrator. For example, if the applicant wants help with food, rent and electricity, but the applicant is only eligible for \$75, the Administrator can apply that amount toward the item(s) the applicant needs most, in accordance with the maximums in the ordinance. The most the Administrator may provide is the **lower of the two amounts** in Section 9, lines D and E. However, this amount **can be exceeded** in an **emergency**. If the applicant is eligible for more assistance than the amount of assistance they are requesting, the Administrator should provide assistance only for the requested assistance at this time. The applicant can apply again, within the next 30 days, to receive the balance if needed.

## Workfare Agreement

I understand that persons who are able to work and who need general assistance may be required to work for the municipality or for a designated organization as a condition of receiving general assistance. I understand that by signing this agreement form, I agree to perform work for the municipality in return for any assistance I am granted.

I understand that unless I have good reason, I must satisfactorily perform the workfare assignment as a condition of receiving future General Assistance or as a condition of receiving General Assistance currently being granted to me pursuant to the "workfare first" policy described below.

**"Workfare first" policy.** I understand that under the authority of M.R.S.A. § 4316-A(2)(D), the administrator may, in accordance with the following guidelines, require me to perform a workfare assignment prior to the actual issuance of the non-emergency general assistance benefit conditionally granted.

- 1) In no circumstance will emergency general assistance for which I am eligible be withheld pending the satisfactory performance of workfare. I understand emergency general assistance to be assistance that is immediately necessary to prevent a dangerous or life-threatening situation.
- 2) I understand that I have a right under this policy to be provided a written decision prior to performing any workfare for the municipality associated with my request for assistance. That written decision must include.
  - a) a specific description of the amount of general assistance being conditionally granted to my household, and for which basic needs;
  - b) the period of eligibility for which the general assistance grant is being issued (in days or weeks, but not to exceed 30 days).
  - c) the rate, at a dollar-per-hour basis (but not less than the prevailing minimum wage), upon which the duration of the workfare assignment is calculated;
  - d) the actual duration of the workfare assignment that must be performed, in hours, before the general assistance grant will be actually issued;
  - e) the specifics of the workfare assignment(s), including the general nature of the type of work being assigned, location(s) of work-site, date(s) and time(s) of assigned workfare, workfare supervisors' names and contact telephone numbers, and any other pertinent information related to the workfare assignment(s) I will be expected to perform.
- 3) I understand that in addition to any disqualification penalty that may apply, the consequences of refusing to perform or completely failing to perform the workfare assignment, without just cause, or performing the entire workfare assignment below the average standards of that job, without just cause, will be the termination of the entire general assistance grant.
- 4) I understand that if some of the workfare-first assignment is satisfactorily performed but there has been a failure to perform the remainder of the assignment, without just cause, the administrator shall issue a grant of general assistance in the amount of the number of workfare hours satisfactorily performed times the hourly rate used to calculate the duration of the workfare assignment. In addition to any disqualification penalty that may apply, the remaining value of the conditionally issued general assistance grant shall be reassigned.
- 5) I understand that any amount of the workfare assignment that is not performed because I am temporarily unable to perform the assignment for just cause reasons shall be reassigned.

I understand that in no circumstances will the number of hours I work exceed the value of the assistance I receive computed at the rate of at least the state's minimum wage.

Further, I understand that the municipality may not assign any work that would interfere with my ability to accept work, attend a job interview, work part-time, or participate in an approved vocational training program.

(over)

I understand that if I refuse to perform work or fail to perform work for the municipality without just cause, I may not be eligible to receive assistance for 120 days, unless I become employed or regain my eligibility in accordance with the procedures described in the municipal General Assistance ordinance. I understand that a refusal or failure to perform a workfare assignment includes:

- not reporting for work, without just cause
- not completing the job assignment, without just cause;
- willfully failing to perform the job assignment without just cause; or
- willfully performing the assignment below average work standards without just cause.

### Questions to be answered by the workfare participant.

### Declaration of the workfare participant.

This work agreement and its conditions have been explained to me and I understand what my responsibilities are under the municipal work program. I understand that I have a right to review the municipal General Assistance ordinance and a copy of Maine's General Assistance statutes.
